## Experience

---

**Asserson Law Firm / Dispute Resolution**

JULY - AUGUST 2024, Tel Aviv

As a member of the dispute resolution team, I was granted the opportunity to conduct legal research, draft a letter of Action, and assist with trial preparation. I had the opportunity to work on a variety of cases, including the Student Group Claim against UCL. My time there allowed me to develop an understanding of litigation and arbitration, alongside the legal process and how to build invaluable work-place connections.

**Barclays / Private Banking**

APRIL 2024, London

This first hand insight into Barclays Canary Wharf offices enabled me to gain invaluable experience in Private Banking, alongside great networking opportunities. I had the privilege of attending meetings with several bankers, who offered their extensive knowledge and expertise. This taught me the astute business objectives of private banking, which I can transfer into my future pursuits.

**Voice Itt / Market Researcher**

JAN - MAY 2023, Tel Aviv

Voiceitt is an award-winning speech recognition startup and social enterprise that has developed a proprietary automatic speech recognition (ASR) technology to enable children and adults with severe speech impairments and disabilities access mainstream voice-activated technologies and devices. As an intern, I completed extensive research on major companies that can play a huge role in integrating this technology to ease the lives of those with speech disabilities.

### **Brandy Melville / Sales Assistant**

JAN - DEC 2023, London

Working at Brandy Melville provided experience in the working world. My role enabled me to work as a team player and has left me with a lasting unique set of skills and experience, instrumental in shaping me into a well-rounded, outgoing, and adaptable individual. These skills and qualities gained from my time there will undoubtedly prove valuable in any future professional endeavours I chose to pursue.

### **Arnold and Porter/ Corporate Law Summer Scheme**

JULY 2021, London

I gained invaluable experience in the legal field. As a member of the litigation team, I was responsible for conducting legal research, drafting legal documents, and assisting with trial preparation. I had the opportunity to work on a variety of cases, including complex commercial litigation and intellectual pharmaceutical disputes. This allowed me to develop a deep understanding of the legal process and the importance of attention to detail.

### **EY / Internship**

JUNE - JULY 2021, London

One of the highlights of my internship was attending a workshop with BP, where I was able to gain insights into their sustainability initiatives and learn about their approach to reducing carbon emissions. Additionally, I had the opportunity to attend a workshop with Carbon 13 and their venture into 22 climate tech startups, where I gained experience in identifying and evaluating investment opportunities.

### **ME + EM / Finance Department**

August 2019, London

Experience in the finance department enabled me to develop my analytical, resourceful and active problem-solving skills, particularly in Excel. I was tasked with formulating spreadsheets on sales and refunds.
